

CURRICULUM VITAE
MICHELE M. TUGADE
September 2009

PERSONAL DATA _____

Address:

Department of Psychology
Vassar College
124 Raymond Ave.
Poughkeepsie, NY 12604

Phone: (845) 437-7373

Fax: (845) 437-7538

Email: mitugade@vassar.edu

EMPLOYMENT _____

2004 -

Assistant Professor
Department of Psychology
Vassar College

2001 - 2004

Postdoctoral Research Fellow
Interdisciplinary Affective Sciences Laboratory
Boston College

EDUCATION _____

2001

Ph.D., University of Michigan, Ann Arbor, MI
Social Psychology
Dissertation: Positive emotions and resilience: Subjective, cognitive and physiological consequences
Advisor: Barbara L. Fredrickson, Ph.D.

1998

M.A., University of Michigan, Ann Arbor, MI
Social Psychology
Thesis: What marks good emotion coping?: Smiles, vagal tone, and cardiovascular recovery
Advisor: Barbara L. Fredrickson, Ph.D.

1995

B.A., Vassar College, Poughkeepsie, NY
Major: Psychology/ Minor: Economics
Departmental Honors; Distinction in Psychology
Thesis: Does misery really love company?: The effects of response styles and depression on social partner choice and evaluation
Advisors: Jannay Morrow, Ph.D., Randolph Cornelius, Ph.D.

GRANTS AND AWARDS _____

2009

Faculty Research Grant, Vassar College (Susan Turner Fund)
Title: Climate Change and Coping
PIs: Jannay Morrow, Judith Nichols, Michele Tugade

2009

Frances D. Fergusson Faculty Technology Exploration Grant
Title: Change, Resilience, and Coping: A Study Of Women In Guanacaste Province, Costa Rica
PIs: Jannay Morrow, Michele Tugade, Judith Nichols

2008

Undergraduate Research Summer Institute (URSI)
Title: Health, Stress, & Coping

- 2007 **Faculty Research Grant**, Vassar College
Title: Psychological Resilience: Examining Conscious and Non-conscious Processes of Emotion Regulation
- 2007 **Undergraduate Research Summer Institute (URSI)**
Title: Emotional Complexity in Everyday Life
- 2007 **Frances D. Fergusson Faculty Technology Exploration Grant**
Title: Exploring Software for Research and Teaching about Individual Differences
Co-PIs: Susan Trumbetta, Michele Tugade, Allan Clifton
- 2006 **Undergraduate Research Summer Institute (URSI)**
Title: The Effects of Conscious and Unconscious Processes of Positive Emotions on Coping with Sadness: Examining Subjective and Physiological Response Patterns
- 2006 **Faculty Research Grant, Vassar College (Lucy Maynard Salmon Fund)**
Title: Idiographic Profiles of Emotion: Subjective and Behavioral Patterns of Responding
- 2005 **Undergraduate Research Summer Institute (URSI)**
Title: Conscious and Non-Conscious Positive Emotions: Examining the Effects on Coping and Cognitive Flexibility
- 2001 – 2004 **NIMH: Ruth L. Kirschstein National Research Service Award (NRSA)**
Post-doctoral Fellowship
Title: Resilience, Emotion Granularity, and Emotion Regulation
Sponsor: Lisa Feldman Barrett, Ph.D. (Boston College)
- 2003 – 2004 **Young Scholars Grant**
Positive Psychology Network
Title: Positive Emotional Granularity and Resilience:
Representing Emotions with Precision Facilitates Emotion Regulation
- 2001 – 2004 **NSF: Small Grants for Exploratory Research (SGER)**
(Co-PI, with Lisa Feldman Barrett)
Title: Mechanisms of Resilience in the Face of Ongoing Threat
- 2003 **APA Advanced Training Institute, Visiting Fellowship**
Functional Magnetic Resonance Imaging (fMRI)
Massachusetts General Hospital, Charlestown, MA
- 2002 **International Positive Psychology Summit**
Research Scholar
- 2000 - 2001 **Positive Psychology Network Research Grant**
Summer Training Institute Scholar
Title: Positive Emotions Predict Coping Flexibility for Resilient Individuals
- 2000 **Positive Psychology Summit**
Student Scholar
- 2000 **Outstanding Graduate Student Instructor Award**
Department of Psychology, University of Michigan

- 1997 – 1999;
2000 – 2001 **Minority Research Training Fellowship**
American Psychological Association
- 1996 – 1998;
1999 – 2000 **Research Training Grant**
National Institute of Mental Health
- 1999 – 2000 **Summer Research Partnership**
University of Michigan
- 1996 – 1998 **Margaret Floy Washburn Fellowship**
Research in Psychology (Vassar College Alumni Fellowship)

TEACHING EXPERIENCE

Vassar College

Introduction to Psychology
Social Psychology
Individual Differences / Personality
Research Methods in Individual Differences/Personality
Psychology of Emotions Seminar
Resilience and Thriving (Positive Psychology Seminar)
Personality and Health Seminar

University of Michigan

Introduction to Psychology
Social Psychology
Group Behavior in Organizations

PEDAGOGICAL ACTIVITIES

- 2004 – 2005 **Andrew W. Mellon Grant, Faculty Conversations**
Faculty Career Enhancement Program, Vassar College
Topic: Assessment of Effective Teaching and Student Learning
- February 2004 **Co-Instructor, Experience Sampling Methodology Workshop**
Max Planck Institute
Berlin, Germany
- February 2003 **Assistant Instructor, Experience Sampling Methodology Workshop**
Radcliffe Research Institute
Cambridge, MA
- 2000 - 2001 **Teaching Fellow, Center for Research on Learning and Teaching**
University of Michigan
- 2000 – 2001 **Teaching Fellow, Preparing Future Faculty Program**
University of Michigan
Association of Colleges & Universities, Council of Graduate Schools
- 1999 **Mentor for Graduate Student Instructors (Head Instructor)**
Introduction to Psychology
University of Michigan

TALKS

Tugade, M. M. (2010, January). *Symposium Chair*. The differentiation of positive emotions: Recent advances in theory and research on positive emotions. Society for Personality and Social Psychology, Las Vegas, NV.

Tugade, M. M. & Morrow, J. (2010, January). Where positive emotions meet and where they diverge: The effects of distinct positive emotions on coping and problem-solving. In M. M. Tugade & L. D. Kirby (Chairs) The differentiation of positive emotions: Recent advances in theory and research on positive emotions. Symposium at the annual conference of the Society for Personality and Social Psychology, Las Vegas, NV.

Tugade, M. M. (2008, October). Resilience and Thriving: Examining Pathways to Mental and Physical Health. Invited lecture. Alumni Association of Vassar College (AAVC), Vassar College, Poughkeepsie, NY.

Tugade, M. M. (2008, September). Resilience and Thriving: Examining Pathways to Mental and Physical Health. Invited lecture. Vassar VIEW (Vassar Inspiration and Education Weekend), Vassar College, Poughkeepsie, NY.

Tugade, M. M. (2007, April). The resilience response: Automatic and controlled processes of emotion regulation. Colloquium presentation at the University of Connecticut, Storrs, CT.

Tugade, M. M. (2007, January). The effects of conscious and unconscious processes of positive emotions on cognitive flexibility and coping with sadness. In K. C. McLean & J. L. Pals (Chairs) The many ways we "Broaden-and-Build": Processing responses to negative and positive events and multiple pathways to emotional well-being. Symposium at the annual meeting of the Society for Personality and Social Psychology, Memphis, TN.

Tugade, M. M. (2006, August). Automatic and controlled processes of positive emotions & outcomes for emotion regulation. Paper presented at the annual conference of the International Society for Research on Emotions, Atlanta, GA.

Tugade, M. M., Barrett, L. F., & Gross, J. J. (2004, July). Matters of feeling precisely: Examining emotional granularity and emotion regulation in context. In S. J. Catanzaro (Chair) Individual differences in mood experience: Recent developments and future trends. Symposium at the annual meeting of the American Psychological Society, Chicago, IL.

Tugade, M. M. & Barrett, L. F. (2004, February). Emotional granularity: Examining properties of emotional experience in everyday life. In J.W. Pennebaker (Chair), Real world social psychology: Exploring people's everyday lives. Symposium at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.

Tugade, M. M. & Barrett, L. F. (2003, May). Emotional granularity: Representing positive emotional experiences with precision and specificity. Paper presented at the annual meeting of the American Psychological Society, Atlanta, GA.

Tugade, M. M. (2002, November). Positive emotions and resilience: Examining mechanisms of emotion regulation. Boston Area Emotion Research Laboratory, Boston College, MA.

Tugade, M. M. & Barrett, L. F. (2002, July). Correlates of positive emotional granularity. Paper presented at the International Society for Research on Emotions, Cuenca, Spain.

Tugade, M. M. (2002, April). Psychological resilience: Using positive emotions to bounce back from negative emotional experiences. Invited talk. Northeastern University, Boston, MA.

Tugade, M. M. (2001, August). Positive emotions foster coping flexibility for resilient individuals. Paper presented at the Positive Psychology Summer Institute, Sea Ranch, CA.

Tugade, M. M. & Fredrickson, B. L. (2000, June) Emotional resilience: Using positive emotions to bounce back from negative emotional arousal. Paper presented at the annual conference of the American Psychological Society, Miami, FL.

Tugade, M. M. & Fredrickson, B. L. (1999, June). Emotion regulation: The role of resiliency, expectancies, and positive coping. Paper presented at the annual conference of the American Psychological Society, Denver, CO.

Morrow, J., & Tugade, M. M. (May, 1998). Misery doesn't always love company: Individual differences in social partner preference go beyond level of depression. Annual Nags Head Conferences, Highland Beach Florida.

CONFERENCE PRESENTATIONS

Ma, J. E., Tugade, M. M., & Proujansky, R. (2009, February). Barack or Hillary? Factors predicting perceptions of and preferences for presidential hopefuls. Poster presented at the annual conference of the Society for Personality and Social Psychology, Tampa, FL.

Tugade, M. M. & Morrow, J. (2009, February). Differentiating positive emotions: Examining patterns for coping with sadness, anger, and anxiety. Poster presented at the annual conference of the Society for Personality and Social Psychology, Tampa, FL.

Yakkundi, A. V., Tugade, M. M., Ma, J. E., Arthur, J. R. (2009, February). Identity politics? How voter and candidate characteristics predict perceptions of presidential candidates. Poster presented at the annual conference of the Society for Personality and Social Psychology, Tampa, FL.

Kuper, L. E. & Tugade, M. M. (2008, February). What explains persistence in stressful activism and volunteerism?: An investigation of resiliency, coping, and attitudes. Poster presented at the annual conference of the Society for Personality and Social Psychology, Albuquerque, NM.

Morrow, J. & Tugade, M. M. (2008, February). Comparing the effects of induced gratitude and happiness on attention, resiliency, and empathy. Poster presented at the annual conference of the Society for Personality and Social Psychology, Albuquerque, NM.

O'Haire, M. & Tugade, M. M. (2008, February). Writing about campus tragedy is associated with increased compassion for resilient individuals. Poster presented at the annual conference of the Society for Personality and Social Psychology, Albuquerque, NM.

Tugade, M. M., O'Haire, M., Greene, J., & Bray, E. (2008, February). Paying attention to how you feel and what you do: Examining links to psychological well-being and dialectical thinking. Poster presented at the annual conference of the Society for Personality and Social Psychology, Albuquerque, NM.

Morrow, J. & Tugade, M. M. (2007, January). The effects of trait gratitude and emotion on vengefulness, predictions of future life events, and interpersonal relationships: Why traits and states matter. Paper presented at the annual conference of the Society for Personality and Social Psychology, Memphis, TN.

Tugade, M. M., Morrow, J., & Granot, Y. (2006, August). Resilience and complex representations of gratitude: The mediating and moderating role of positive emotionality. Paper presented at the annual conference of the International Society for Research on Emotions, Atlanta, GA.

Morrow, J., Cikara, M., Granot, Y., & Tugade, M. M. (2006, August). Narcissistic traits, emotional well-being, self-perception, and social perception. Paper presented at the annual conference of the International Society for Research on Emotions, Atlanta, GA.

Tugade, M. M. & Fonseca, E. (2006, January). The effects of conscious and non-conscious positive emotions on coping and cognitive flexibility. Paper presented at the annual meeting of the Society for Personality and Social Psychology, Palm Springs, CA.

Colognori, D., & Tugade, M. M., & Barrett, L. F. (2005, January). Individual differences in time insensitivity: Examining links to cognitive performance and emotions on time pressure tasks. Paper presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.

Colognori, D., Tugade, M. M., Barrett, L. F., & Lebo, K. (2004, February). Positive emotions and positive reappraisal in the face of sustained threat: Examining predictors of emotional complexity. Poster presented in the annual meeting of the Society for Personality and Social Psychology, Austin, TX.

Hristic, A., Barrett, L. F., Ross, M., Tugade, M. M., Ryback, M., & Sekerka, L. (2004, February). Attitudes toward the war in Iraq: Memory bias due to affect. Poster presented in the annual meeting of the Society for Personality and Social Psychology, Austin, TX.

Lebo, K., Tugade, M. M., Hristic, A., & Barrett, L. F. (2004, February). How flexible are you?: The role of positive emotional granularity in emotion regulation variability. Poster presented in the annual meeting of the Society for Personality and Social Psychology, Austin, TX.

Lindquist, K., Conner, C., Barrett, L. F., Tugade, M. M., & Zubkowitz, A. (2004, February). Complexities of the mind: The relation between complexity of the self and emotional complexity. Poster to be presented in the annual meeting of the Society for Personality and Social Psychology, Austin, TX.

Tugade, M. M., Lebo, K., Ringeisen, T., & Barrett, L. F. (2003, May). Positive emotions in the face of ongoing threat: Examining emotional complexity in response to the September 11th attacks. Poster session presented at the annual meeting of the American Psychological Society, Atlanta, GA.

Tugade, M. M. & Barrett, L. F. (2003, February). Emotional granularity: Representing emotional experiences with precision and specificity. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, Los Angeles, CA.

Bliss-Moreau, E., Hristic, A., Barrett, L. F., & Tugade, M. M. (2003, February). Working memory capacity: A test of content specificity and implications for dual-process models. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, Los Angeles, CA.

Fredrickson, B.L., Tugade, M. M., Waugh, C.E., & Larkin, G. (2002, October). What good are positive emotions in crises?: A prospective study of resilience and emotions following the terrorist attacks on the United States on September 11th, 2001. In S. Goodwin (Chair) , Social, emotional, and political reactions to the September 11th attacks. Symposium conducted at the annual meeting of the Society of Experimental Social Psychology, Columbus, OH.

Tugade M. M. & Barrett, L. F. (2002, October). Mechanisms of resilience in the face of ongoing threat: Responses to 9/11/01. Poster session presented at the annual meeting of the Society of Experimental Social Psychology, Columbus, OH.

Tugade, M. M. & Barrett, L. F. (2002, October). Positive emotional granularity: Examining the relations between positive emotion knowledge and emotion regulation. Poster session presented at the First International Positive Psychology Summit, Washington, DC.

Tugade, M. M. & Fredrickson, B. L. (2002, February). Resilient individuals find positive meaning in negative circumstances: The benefits of positive emotions in coping. Poster presented at the annual conference of the Society for Personality and Social Psychology, Savannah, GA.

Tugade, M. M. & Fredrickson, B. L. (2001, August). Positive emotions, coping, and resilience: Finding positive meaning in negative circumstances. Poster presented at the annual conference of the American Psychological Association, San Francisco, CA.

Tugade, M. M. & Fredrickson, B. L. (2001, February). Physiological consequences of challenge and threat appraisals in resilient individuals. Poster presented at the annual conference of the Society for Personality and Social Psychology, San Antonio, TX.

Tugade, M. M. & Fredrickson, B. L. (2000, August). Resilient individuals use positive emotions to bounce back from negative emotional arousal. Poster presented at the meeting of the International Society for Research on Emotions, Quebec City, Quebec.

Tugade, M. M. & Fredrickson, B. L. (1998, September). Cardiac vagal control: A psychophysiological correlate of emotional expressivity. Poster presented at the annual meeting of the Society for Psychophysiological Research, Denver, CO.

Fredrickson, B. L., Branigan, C., Tugade, M. M., & Mancuso, R. A. (1998, September). More evidence for the "undoing effect" of positive emotions. In J. Tsai (Chair) The many facets of emotion. Symposium conducted at the Society for Psychophysiological Research, Denver, CO.

Roberts, N. A., Pole, N., Tugade, M. M., & Levenson, R. W. (1998, August). Cultural differences in emotion responding to simple stimuli. Poster presented at the annual conference of the American Psychological Association, San Francisco, CA.

Tugade, M. M., Branigan, C. A., & Ellsworth, P. C. (1998, June). Attitudes toward ethnic ingroup/outgroup dating and marriage in a college sample. Poster presented at the annual conference of the Society for the Psychological Study of Social Issues, Ann Arbor, MI.

Tugade M. M. & Fredrickson, B. L. (1997, October). Individual differences in vagal tone predict cardiovascular recovery from sadness. Poster presented at the annual meeting of the Society for Psychophysiological Research, Cape Cod, MA.

PROFESSIONAL AFFILIATIONS

Positive Psychology Network
Society for Personality and Social Psychology
Social Psychology Network

EXTERNAL SERVICE HISTORY

2001 – present **Social Psychology Network Mentorship Program**
Society for Personality and Social Psychology (SPSP) Diversity Initiative

2007 **Dissertation Committee (External Member)**
• Ozge Gurel, Ph.D. (American University)
• Elizabeth McIntosh, Ph.D. (American University)

2003 **Society for Experimental Social Psychology (SESP) Conference**
Co-Chair: Informal Paper Presentations

2003 **Association for Psychological Science (APS) Conference**
Social/Personality Psychology programming

INTERNAL SERVICE HISTORY

Vassar College

2005 – present College Regulations Panel (Panel Member and Chair)
2005 – present International Students Host Program, Faculty Sponsor
2009 – present Psi Chi, Advisor
2008 – 2009 Steering Committee, Independent Programs
Science Facilities Planning Committee
Psychology Department Curriculum Committee

2006 - 2007 Ad-hoc Committee on Student Input in Teaching and Tenure
2006 Individual Differences in Personality Search Committee
2006 Social Psychology Search Committee
2005 Developmental Psychology Search Committee
2005 Departmental Computer Committee
2005 Chair, Departmental Statistics Software Committee
2005 Co-Chair, Faculty Scholarly Discussions (Summer Series)
2004 – 2005 Chair, Colloquia Programming Committee

University of Michigan

2000 – 2001 Emotion Laboratory Speaker Coordinator
1997 – 2001 Co-founder, Asian Psychology Students Association
1998 – 1999 Graduate Admissions Committee
1996 – 1998 Social Psychology Graduate Representative

SPECIALIZED SKILLS

Psychophysiological measurement and data analysis
• Cardiovascular psychophysiology
• Facial electromyography (EMG)
• Functional Magnetic Resonance Imaging (fMRI)

Facial Action Coding System (FACS) trained coder
Experience-Sampling Methodology
